

English

Read the sentences carefully. In your homework books, convert each telling sentence in to a sentence using direct speech. Watch your punctuation - where will you use your capital letters, full stops, exclamation marks and question marks?

Challenge:

Can you use different synonyms for the word said?

Example. "Pick up all of the paper from under your desks!" pleaded Mrs Reynolds.

My mum wanted to know why I needed to go to the shop.

I told her that I needed to buy some flowers.

My mum said we could go, but she wondered whom the flowers were for.

I excitedly explained that they were for my teacher because her birthday is tomorrow.

My mum told me that this was a very nice idea.

I told her we should go now because I wanted to have time to pick out the best flowers.

My mum laughed and said she would race me to the car.
