English Homework 15/5/26

Imagine you discover a mysterious door at the back of your school. One day, you open it and step into a completely different world.

Write a monologue about what you are feeling and thinking.

Remember that a monologue is: A speech made by a character normally in a play. When the play stops and one character faces the audience to tell them what they are thinking.

- What is behind the door?
- How do you feel?
- What is going on in your head?
- What are your thoughts?
