Fronted adverbials

This week we have been looking at using varied fronted adverbials.

Write a paragraph about something exciting that happened at school this week, using each of the 5 types of adverbials. An example of each has been put in **green**. Can you think of your own adverbials?

Time - when it happened - **yesterday**

Manner - how it happened - **slowly**

Frequency - how often it happened - **regularly**

Possibility - how likely - **unbelievably**

Place - where it happened - **in the distance**

Spellings - Please practise your spellings - this week you are focusing on the words ending with an /zhuh/ sound spelt 'sure'.
