

Religious Education

In RE this term we will be learning and furthering our knowledge of the Nativity Story.

Art and Design

Our topic in DT this term will be mechanisms using wheels and axels. We are going to be making our own version of the London Eye.

English

In English, our key texts will be Claude in the City, Paddington and Vlad and The Great Fire of London.

Science

In Science we will be continuing our learning on materials and linking this to the Great Fire of London. We will be testing which material is the best for houses and designing our own safer houses.

PE

In P.E our topics are fundamental skills and gymnastics.

Maths

Our Maths topics this term will be continuing our learning on addition and subtraction as well as recapping our learning on shapes (symmetry and sides, vertices, faces and edges)

Great Fire of London

Music

We will be using Sing Up to practice our music skills and learning songs for our Nativity.

RHSE

In RHSE our topic is about connecting with others and building safe, kind and caring relationships.

Computing

In Computing we will be learning how to use computers safely and learning key skills.

History

In History, we will be learning about the Great Fire of London. We will be immersing ourselves into the events that took place on Pudding Lane and thinking about the differences between London now and then.

Geography

In Geography our topic is about the United Kingdom, learning all about London using aerial photographs and to recognise landmarks.
