

English

In English, our key text will be a modern interpretation of the fairy-tale 'Rapunzel'. We will be focusing on two big writes – creating a narrative and writing instructions. Spelling, punctuation and grammar lessons will be embedded throughout.

History

In History, our topic is called November November. We will be learning all about Guy Fawkes.

Music

This term in music we will be focusing on the Nativity.

Computing

In Computing we will be focussing on logging onto Purple Mash and exploring how to be creative on Purple Mash.

Art and Design

Our topic in DT is Mechanisms- making a slider game. We will be exploring how different mechanisms work before designing our own slider game.

PE

In P.E the children will be learning Gymnastics and dance.

Where We Live

Science

In science we will be learning about the seasons. We will be focusing on Autumn and Winter and observing seasonal changes including weather, wildlife and visual changes.

Geography

In Geography we will be completing some fieldwork around the school to enable us to create a map of the school and understand the job roles of different staff.

Religious Education

In RE this term the children will be learning about Incarnation. Children will think about why and how Christians celebrate Christmas. We will reflect upon the message of the story of Jesus' birth and apply this to our performance of the Nativity. We can't wait to see you there!

Maths

Our Maths topics this term will be focused on Addition and Subtraction within 20. We will also be exploring and building on our knowledge of shapes.

RHE

In RHE our topic is 'Celebrating Differences'. In this unit the children will get a chance to think about ways that we are similar and ways that we are different to our friends. We will discuss how to celebrate these similarities and differences.
