

# Freddy Frog's Homework:

## Short /i/ spelt as 'y'

### Parent Explanation

Within the Year 3 and 4 spelling curriculum, children are required to correctly spell words where 'y' can sound like an 'i' if it falls in the middle of a word. For example, in the word gym, the 'y' makes a short /i/ sound.

Freddy Frog's teacher, Mr Rana, has set him a homework to write a diary entry using his target spellings. However, Freddy has made some mistakes. Please cross out the mistakes and write them correctly above the word. All the correct spellings are at the bottom of the page; please fold this part back to see if you can remember how to spell these words. If you get stuck, you can always turn the page over to check you are correct!

**Challenge:** Once finished, try to write your own silly story using the words where a short /i/ is spelt as a 'y'.

Dear Diary,

On Saturday, I had pancakes with sirup; they were delicious! After, I went to my gymnastics class where I have to wear a special T-shirt with our club's simbol on it (it's a lily pad). Later, I played a mithical and misterious game on my Hoppit U computer. In the game, you can design and create anything you want from gimms to Egiptian piramids. It's great fun and I like all the mythology in the game! On Sunday, I went to music class. I got to croak and ribbit lots of himns and I'm also in a band; I play the cimbals. However, when I got home, I began to feel ill. Mum says I've got the simptoms of frog-flu I may need a day off school this week!
